

Frequently Asked Questions - 2023-24

What happens on the first day of class?

Please check in with one of our greeters and they'll be happy to tell you who your dancer's teacher is and which studio their class will be held in. Please walk your dancer to class, meet the instructor, and assist your dancer in putting on their dance shoes. Parents are welcome to wait in our lobby or leave the building during the class – whichever works for you, based on your comfort level.

How do I pay for classes?

As always, you may pay by the week and there is no charge if your dancer is absent. We accept cash, check, credit card, and all class cards at our front desk. You may also pay online at AnitasDanceCenter.com via your DSP parent portal!

You are more than welcome to pre-pay for upcoming weeks, and if your dancer misses a week, that payment will be forwarded.

When do classes begin? When are recitals?

Classes begin Thursday, September 7th! The Dance Center closes for Thanksgiving break, Christmas break, and Spring break, which is followed by recitals in the late spring / early summer.
